Marriage Minute Did you have a good friend or family member skip your wedding for a trivial reason? If so, you understand the frustration of the father of the groom in this weekend's Gospel. Not only do some guests skip the feast, but some even got violent with his messengers! This is incredibly disrespectful considering the quality of the invite. God has carefully prepared a feast of great joy for us in our marriages. Accepting this invitation means: • Prioritizing our marriage over work • Cleaning ourselves up (through reconciliation with spouse and God) • Dressing up (acts of kindness) Whether we are talking about a wedding feast or our marriages, the extra effort to respond to the Father's invitation pays great dividends in lasting joy. Archdiocesan Campaign Planning Study Survey The Archdiocese is currently conducting a planning study for a potential fundraising campaign. Your feedback will help shape our plans for this endeavor. Please take a few minutes to complete the online survey at <https://www.changingourworld.com/akck>. While the survey does ask for your name and parish to eliminate possible duplicate entries, responses will be returned directly to an outside partner to maintain the confidentiality of your feedback. Thank you in advance for your participation.

“My God will supply whatever you need...” - PHILIPPIANS 4:19 God really does provide for those who are grateful and generous. This is very difficult for people that don't live a stewardship lifestyle to believe. People are skeptical and say it's just coincidence. If you are skeptical, try living a stewardship lifestyle for just one month – be generous with your gifts of time, talent and treasure and see how God provides for your needs.

The Leaven subscription is \$20.00 and now due.. You can put the money in an envelope marked "Leaven" and drop it in the collection basket.

"HUMANAE VITAE 50 YEARS LATER" A Call to Self-Gift March 23-24, 2018 The theme for the Seventh Annual Symposium on Advancing the New Evangelization at Benedictine College in Atchison, Kansas, "Humanae Vitae 50 Years Later: A Call to Self-Gift," is a call to reflect on and analyze the significance of Pope Paul VI's encyclical and subsequent Catholic thought on issues of marriage and family life. While Humanae Vitae is most famous for its teaching on the use of contraception, the Symposium hopes to address that issue within the context of the vocation to imitate Christ in making a "sincere gift of self." To this end we invite proposals from scholars and professionals in all disciplines that address contraception as well as broader questions related to marriage, family, children, and society. For more information, please visit: <https://www.benedictine.edu/faith-life/symposium/index>
