

Parenting the Love and Logic Way™

A six session parenting program designed by the Love and Logic Institute

Learn how to:

- Avoid un-winnable power-struggles and arguments
- Stay calm when their kids do incredibly upsetting things
- Set enforceable limits
- Avoid enabling and being empowering
- Help their kids learn from mistakes rather than repeating them
- Raise kids who are family members rather than dictators
- And much more!

This parenting program is designed to give your practical tools that can be used immediately!
