*“As the Lord spoke to me, the spirit entered me and set me on my feet, and I heard the one who was speaking say to me, ‘Son of man, I am sending you...’” EZEKIEL 2:2-3*

God asks each of us to do some special work for Him. He gives us the resources we need to do His work. However, do we listen to God when He calls? Do we get up on our feet and use our talent to do the work He asks of us? Remember, God doesn't call the equipped, he equips the called.

## The Suitcase

*A Story About Giving*

### A Beautiful Tale for the Whole Family

Christ said: "unless you turn and become like children, you will never enter the kingdom of heaven" (Mt 18:3). In this animated storybook narration, young Thomas's pure heart helps him to see the path to heaven and inspires his family to join him on the journey.

Watch on [formed.org](http://formed.org)

*"This is an absolutely delightful story, with a much deeper meaning than what appears on the surface! I loved it for many reasons, but especially because it reminded me of several incidents with some of my own grandchildren..."*

—Deborah M, Laconia, NH

## MARRIAGE MINUTE

Do you ever get frustrated with your spouse for doing that one small, annoying thing over and over even though you have made it clear that it bothers you? Have you ever been frustrated with yourself for having to apologize for the same thing? Weakness is hard to accept... both in ourselves and our spouse. This weekend's readings tell us that when we are weak, we are strong. Why? • Every act of forgiveness is a recommitment to love that makes us stronger. • Our own weakness makes us humble, relying on God's grace. • Accepting our spouse's weakness helps us to be patient with ourselves (and vice versa!). Stuck thinking about your spouse's faults? Try massive amounts of compliments and affirmation! They don't erase weakness, but change your focus.

*Celebrate your independence from unnatural methods of birth control by learning Natural Family Planning! Free yourself from side effects - physical and spiritual - and find life, liberty, and happiness in your marriage.* You are encouraged to attend the course in the **SYMPTO-THERMAL METHOD OF NFP** beginning **in Topeka on Saturday, July 28th, at 7pm**. Reasonable course fee; financial assistance available. You may call Dana or Eric Runnebaum at 785-380-0062 for the location of this class & for more info about other classes in the surrounding area. Self-paced online classes are also available. Pre-registration is required at [www.ccli.org](http://www.ccli.org). Learn more at [nfptopeka.blogspot.com](http://nfptopeka.blogspot.com).
