"I have now brought you the first fruits of the products of the soil which you, O Lord, have given to me." Deuteronomy 26:10

This line from the Old Testament offers two challenges. First, do you give to God from your "first fruits", the best that you have to offer, or do you give from what is leftover? Second, do you recognize that everything you have has been given to you by God? Ask God for a grateful and generous heart, every day, in all circumstances.

UNPLANNED is the inspiring true story of one woman's journey of transformation. All Abby Johnson ever wanted to do was help women. As one of the youngest Planned Parenthood clinic directors in the nation, she was involved in upwards of 22,000 abortions and counseled countless women about their reproductive choices. Her passion surrounding a woman's right to choose even led her to become a spokesperson for Planned Parenthood, fighting to enact legislation for the cause she so deeply believed in. Until the day she saw something that changed everything, leading Abby Johnson to join her former enemies at 40 Days For Life, and become one of the most ardent pro-life speakers in

America. **Take a friend and go see this movie. It is truly life changing.**

MARRIAGE MINUTE Lenten “DO’S” and “DON’T’S” for Married Couples DO remember that your marriage is your vocation. Things that make you feel more in love can actually make you more holy! DON'T take on a sacrifice that will make life miserable for your spouse. Deciding to go vegan for 40 days is noble, except if it means your wife has to prepare all your meals separately (and it makes you crabby)! DO talk with your spouse about what you can do together for Lent. DON'T think Lent has to be all doom and gloom to be successful. We can direct the practices of prayer and fasting toward our marriages, which will release great joy. A Joyful Marriage can change the world.
