MARRIAGE MINUTE

Have you and your spouse ever argued about money, like the brothers in this week's Gospel? Here are some ideas for becoming more "rich in what matters to God." • Share your feelings about money: How do you feel when you think about debt? Money in savings? An unexpected expense? • Share your values about money: Why do you think it's important to save for retirement? Purchase a specific item or service? • Get financial guidance: Learn together from a great resource like Dave Ramsey or Compass Catholic Ministries. • Make money decisions together: Decide together how you will earn, spend and save money. Ask yourselves, "Is this plan in the best interest of our marriage?" To learn how to do these suggestions, check out Every Day in Love,

"Take care to guard against all greed, for though one may be rich, one's life does not consist of possessions." (Luke 12:15)

The Gospel message today is contrary to our modern culture where advertising continually tries to convince us that our value lies in the things we possess. Jesus showed us that our true value lies in the way we live our lives. He challenges us to not hoard material possessions, but rather to live a grateful and generous lifestyle and become more "other-centered" and less "self-centered."

By Dr. Mark Miravalle

Wonder Worker and Advocate

Martyred for her purity and fidelity to Christ, Saint Philomena is truly a saint for our times. Learn why so many love this young saint, the only one ever to be canonized solely on the basis of the profound miracles attributed to her intercession.
