**“AND JESUS SAID TO HIM,** ‘Go your way; your faith has made you well.’ And immediately he received his sight and followed him on the way.” MARK 10:52 Faith is believing in something even though you may not be able to see it. Many people think that miracles don’t happen anymore. But, if you focus on the positive, not the negative, focus on your blessings instead of your hardships, miracles will seem common and you will see God’s active presence in your daily life.

**MARRIAGE MINUTE** – “I can see!” In difficult moments, sometimes a change of perspective can make all the difference in the world. While this is certainly true in a literal sense for the blind man in this weekend’s readings, it is also true for us in our marriages, if we have the courage to get up and run to Jesus when he calls us. Jesus can help us “see”: • Our spouse’s wonderful qualities, when all we can see is faults. • Our own sin, so we can apologize. • An eternal perspective, so we have courage in suffering. • A new solution to a situation that seemed impossible. • God’s faithfulness to us in the past, so we can trust him in the future.
